## 2022-23 Activity Fees

### Activity Fees: Athletics and Fine Arts

Each activity has its own unique uniform, equipment, and participation requirements. The coach/director will provide additional information to you regarding additional costs once your student has registered for that activity. Activity fees are due **before** the activity begins. Parents are required to volunteer with each activity in which their student participates. Your coach/director will provide more information about volunteer opportunities. If you want to opt out of volunteering, you may pay a \$50 fee per sport your student plays, that will allow us to hire someone else to do the job.
